THE ARTS MAKE OUR CITY BETTER

The arts, in all its forms, unite, engage, offer beauty and inspire dialogue. They bring great opportunities for economic growth, prosperity, fulfillment and belonging. Residents agree: 90% of Torontonians believe that the arts make Toronto a better place to live.

Strong support for Toronto's art and artists is crucial to talent retention, maintaining the health of the arts sector and is the fastest route to growth and revitalization.

- ▶ Toronto City Council currently spends just **0.5%** of Toronto's total operating budget on arts and culture.
- ▶ Every **\$1** invested by Toronto City Council in Toronto's arts organizations leverages an additional **\$15** income from donations and ticket sales.
- ▶ Prior to the pandemic, Toronto ticket sales generated **\$230 million** in the non-profit sector alone, in addition to the economic benefits for sectors like restaurants and transportation.
- ▶ Arts programming is a magnet for international travellers and an anchor for local audiences, with **30 million** people attending city funded programs in 2019.

Toronto Arts Council plays a key role. In 2022 TAC will:

- ▶ Support **950** arts organizations, collectives and professional artists

With an application success rate of 43%, TAC funds only a fraction of the artistic activity happening in the city. With more funds, we can invest more in the organizations and artists who are helping to build our vibrant, creative city and contribute to our economic recovery.
