TAC is committed to equity and inclusion. We welcome and encourage applications from all Toronto artists, arts organizations and artist collectives. Specific equity measures or targeted programs are in place to ensure full access and participation by Indigenous artists, artists of colour, artists who are Deaf, have disabilities or are living with mental illness, artists who self-identify as 2SLGBTQIAP, newcomer and refugee artists, young and emerging artists and artists working outside the downtown core. The pandemic has widely disrupted the programming and organizational plans of organizations receiving operating grants. Efforts and capacities to continue or adapt activities and to plan for 2021-22 vary greatly from company to company. In order to support operating companies, the 2021 operating grant program provides two application options:

**Application Option 1 - Full Grant Request**
Application for a grant based on 100% or more of the 2020 operating grant amount.
This option is meant for returning applicants with significant activities planned for their 2021-22 request year as well as new applicants to the operating program.

**Selecting Option 1 means that:**
- i) Your application or mid-cycle report will be reviewed and assessed for merit by the relevant TAC committee and staff, and your grant level may or may not change in 2021. Assessments will recognize an organization's history of work and will not be negatively influenced by disruption of activities due to the COVID-19 pandemic.

**Application Option 2 - Voluntary Reduced Grant Request**
Application for a grant based on 50% of the 2020 operating grant amount.
This option is meant for returning applicants without public activities planned for their 2021-22 request year, that are not entirely ceasing operations, and will resume public activities in 2022-23.

**Selecting Option 2 means that:**
- i) Your application or mid-cycle report will not be reviewed and assessed for merit by the relevant TAC committee and staff, and your organization would receive a grant in 2021 based on 50% of the 2020 operating grant amount.
- ii) TAC funds for your request year can be applied to costs required for staff retention, research and development, communications and donor relations, facility management etc.
- iii) In 2022 your organization may apply for a grant based on 100% or more of the 2020 operating grant amount.
GOALS
Toronto Arts Council provides funding support to outstanding artists and arts organizations that contribute to the cultural life of the City of Toronto. TAC is committed to artistic excellence, innovation, and accessibility, and supports a wide spectrum of artistic endeavor and a range of activity that makes the City of Toronto one of the leading cultural centers in Canada. Through its support, TAC cultivates a richer engagement between artists and audiences and reflects the City of Toronto through the diversity of artists, arts communities and audiences that it serves.

OBJECTIVES
The Theatre Program provides Annual Operating support to professional non-profit theatre organizations (both incorporated and unincorporated) engaged in the creation, production and presentation of theatre, and other activities that contribute to the development of theatre, theatre artists, and theatre audiences in Toronto. Funding through this program supports both operations and programming. The City of Toronto supports this program through a funding allocation approved annually by Toronto City Council. In addition to the objectives stated above, the Theatre Program is strongly committed to the development and performance of works by Canadian artists.

ELIGIBILITY REQUIREMENTS
To be eligible for Annual Operating funding, an applicant must:

- be non-profit;
- be a professional\(^1\) theatre organization;
- be located in the City of Toronto and have a significant portion of its activities occurring within the City;
- have a history of sustained theatre activity over the two years prior to this application;
- have received a minimum of two project grants through TAC’s Arts Discipline or Strategic programs;
- have a viable administrative structure;
- have professional artistic leadership;
- have sound financial management;
- be governed by a Board of Directors or other body responsible for the organization;
- submit verification of financial results of the last completed fiscal year:
  - for requests over $30,000, **audited financial statements** are required;
  - for requests of $30,000 or less, if annual operating revenues are $100,000 or more, a **review engagement** is required, (or, if available, audited financial statements);
  - for requests of $30,000 or less, if annual operating revenues are under $100,000, **unaudited financial statements** that include a balance sheet and a statement of income and expenses is required, (or, if available, audited financial statements or a review engagement);
- demonstrate a range of revenue sources on an annual basis, including earned, government and private sector revenues.

\(^1\) TAC recognizes that due to systemic barriers within the broader arts community (e.g. limited mainstream presentation opportunities for artists from equity-seeking communities) that some flexibility may be required in interpreting eligibility criteria to take into account equivalent professional experience and contexts. Potential applicants from equity-seeking communities are encouraged to discuss their eligibility with the Program Manager in advance of submitting an application.
• Organizations must conduct their theatre activities on an annual, ongoing basis either throughout the year or on a seasonal basis. A single project does not constitute annual or seasonal activity. Organizations, whose level of activity varies from season to season, in keeping with their mandate, must describe their multi-year creation and production cycle. Annual and biennial festivals that have completed a minimum of two editions are also eligible.

Organizations may receive only one grant per calendar year through the Theatre program and may not apply to other TAC discipline programs. However, TAC offers other types of granting opportunities through its Strategic Initiatives envelope, and operating grant recipients may be eligible to apply to one of these programs. Please consult TAC’s website for other granting opportunities. Operating grant recipients may receive a maximum of one additional grant per calendar year and must submit a final report on that project before applying to another program in the Strategic Initiatives envelope.

FIRST-TIME APPLICANTS

First-time applicants are organizations that did not receive an operating grant last year.

• First-time applicants must consult with the Theatre Program Manager before submitting an operating grant application.

• Additional eligibility requirement. First-time applicants must have at least $75,000 in total revenues for the last completed year, and in projected revenues for the current and request years.

• First-time applicants to the Annual Operating program may only apply in the first year of a multi-year cycle. The next year that first-time applicants may submit an application is:
  ▪ Service organizations 2021
  ▪ Theatre companies 2022

VALUE OF GRANT

TAC does not fund 100% of an applicant’s budget. Applicants may receive less than the full amount requested.

These grants contribute to the artistic and administrative costs associated with an organization’s ongoing theatre activities.

TAC does not provide funding for capital projects (e.g. equipment, renovations, purchase of buildings), fundraising events/projects or deficit reduction. Exception: TAC funds may be used towards the purchase of equipment and software to achieve the goals of the organization during the COVID pandemic. This may include but is not limited to electronics, workspace materials and health and safety items.

APPLICATION PROCESS

Applicants are required to register and submit the application, including the required support material, on TAC Grants Online (https://tac.smartsimple.ca). Applications must be submitted no later than 11:59 pm on the deadline date. TAC does not accept applications by any other means of delivery. You will receive a confirmation email when your application is submitted. Check your spam/junk mail folder if it doesn’t arrive in your in-box.

You will enter your Financial and Statistical data online at CADAC (Canadian Arts Database/Données sur les arts au Canada) www.thecadac.ca. Financial statements must also be submitted to CADAC and a copy uploaded in PDF form with your application.

SUPPORT MATERIAL

All applicants may upload promotional materials produced by their organization in relation to its last year’s activities (e.g. programs, brochures, catalogues, etc.) and/or press clippings (maximum 6 pages). Accepted file format – PDF.

First time applicants to the Annual Operating program may submit 1 to 3 examples of recent theatre work
not exceeding a total of 10 minutes. Audio-visual support material must be submitted by providing a link to an external website where your work has already been uploaded, such as Vimeo, YouTube, your personal website, etc. If you provide a link, please also provide the password or any other instructions required to access the file and be sure to keep any links available until you receive your notification letter.

Applicants currently receiving TAC Annual Operating support should not submit audio-visual material. The assessment committee will review audio-visual material from first-time Annual Operating applicants only.

ASSESSMENT PROCESS

Applications are reviewed first for eligibility by TAC staff. TAC’s Theatre Committee then assesses all eligible theatre applications. Grant recommendations are approved by the TAC board of directors.

TAC’s Theatre Committee is a volunteer committee of practicing theatre artists and other theatre professionals. Members are selected on the basis of their familiarity with and specialized expertise in a broad spectrum of theatre forms, styles and practices and their direct experience in Toronto’s theatre community. TAC strives to ensure fair representation of gender and diverse cultural communities on its adjudication committees and grant review panels. Theatre organizations are invited to nominate peers interested in serving on TAC’s Theatre Committee. These nominations should be submitted in writing. Committee members serve maximum three-year terms.

Annual Operating funding is recommended only at the discretion of the Theatre Committee. First-time applicants should be aware that approval is not automatic solely on the basis of meeting the general eligibility requirements. (Unsuccessful applicants are eligible to apply to the next Project application deadline.) For organizations currently receiving Annual Operating support, the Theatre Committee may recommend maintaining, increasing or decreasing current funding levels or it may recommend that organizations no longer meeting the standard required be phased out of the program.

Included in the Equity Framework is an Equity Priority Policy, which states that if there are multiple well-assessed applications of equal merit in an adjudication round but insufficient funds in the grants budget to support all deserving candidates, applications proposed by applicants that self-identify as belonging to one of Toronto Arts Council’s equity priority groups or that primarily involve or serve artists from these groups will be prioritized.

The Theatre Committee evaluates all organizations applying for Annual Operating funding using the following assessment criteria in the context of each applicant’s stated mandate and direction, available resources and stage of development, and the geographic, cultural and artistic environments in which it works.
