GOALS

Toronto Arts Council provides funding support to outstanding artists and arts organizations that contribute to the cultural life of the City of Toronto. TAC is committed to artistic excellence, innovation, and accessibility, and supports a wide spectrum of artistic endeavor and a range of activity that makes the City of Toronto one of the leading cultural centres in Canada. Through its support, TAC cultivates a richer engagement between artists and audiences and reflects the City of Toronto through the diversity of artists, arts communities and audiences that it serves.

OBJECTIVES

The Theatre Program provides Multi-Year Operating support to professional non-profit theatre organizations engaged in the creation, production and presentation of theatre, and other activities that contribute to the development of theatre, theatre artists, and theatre audiences in Toronto. The program aims to encourage long-term vision and planning and to provide stability for theatre organizations. Funding through this program supports both operations and programming. The City of Toronto supports this program through a funding allocation approved annually by Toronto City Council. In addition to the objectives stated above, the Theatre Program is strongly committed to the development and performance of works by Canadian writers.

ELIGIBILITY REQUIREMENTS

To be eligible for Annual Operating funding, an applicant must:

- be non-profit.
- be a professional¹ theatre organization.
- be located in the City of Toronto and have a significant portion of its activities occurring within the City.

¹ TAC recognizes that due to systemic barriers within the broader arts community (e.g. limited mainstream presentation opportunities for artists from equity-seeking communities) that some flexibility may be required in interpreting eligibility criteria to take into account equivalent professional experience and contexts. Potential applicants from equity-seeking communities are encouraged to discuss their eligibility with the program manager in advance of submitting an application.

- have been in operation for at least four years.
- have received Annual Operating funding through TAC's Theatre program for at least the past two years.
- have a demonstrated record of regular, ongoing programming that provides support to professional theatre artists or theatre organizations in Toronto.
- have a viable administrative structure.
- be governed by a Board of Directors or other body responsible for the organization.
- have stable artistic, organizational and board leadership with plans in place for any transition.
- have sound financial management and balanced budgets over time.
- submit verification of financial results of the last completed fiscal year:
 - for requests over \$30,000, **audited financial statements** are required;
 - for requests of \$30,000 or less, if annual operating revenues are \$100,000 or more, a **review engagement** is required (or, if available, audited financial statements);
 - for requests of \$30,000 or less, if annual operating revenues are under \$100,000, **unaudited financial statements** that include a balance sheet and a statement of income and expenses is required (or, if available, audited financial statements or a review engagement);
- receive significant support on an annual basis from other levels of government and/or the public and/or the private sector.

Organizations may receive only one grant per calendar year through the Theatre program and may not apply to other TAC discipline programs. However, TAC offers other types of granting opportunities through its *Strategic Initiatives* envelope, and operating grant recipients may be eligible to apply to one of these programs. Please consult TAC's website for other granting opportunities. Operating grant recipients may receive a maximum of one additional grant per calendar year and must submit a final report on that project before applying to another program in the *Strategic Initiatives* envelope.

VALUE OF GRANT

TAC does not fund 100% of an applicant's budget. Applicants must show a range of revenue sources, including earned, government and private sector revenues. Applicants may receive less than the full amount requested.

These grants contribute to the artistic and administrative costs associated with an organization's ongoing theatre activities.

TAC does not provide funding for capital projects (e.g. equipment, renovations, purchase of buildings), fundraising events/projects or deficit reduction. Exception: TAC funds may be used towards the purchase of equipment and software to achieve the goals of the organization during the COVID pandemic. This may include but is not limited to electronics, workspace materials and health and safety items.

APPLICATION PROCESS

Applicants are required to register and submit the application, including the required support material, on *TAC Grants Online* (<https://tac.smartsimple.ca>). **Applications must be submitted no later than 11:59 pm on the deadline date.** TAC does not accept applications by any other means of delivery. You will receive a confirmation email when your application is submitted. Check your spam/junk mail folder if it doesn't arrive in your in-box.

You will enter your Financial and Statistical data online at CADAC (Canadian Arts Database/Données sur les arts au Canada) www.thecadac.ca. Financial statements must also be submitted to CADAC and a copy uploaded in PDF form with your application. If the financial statements for your last completed year are not ready at the time of application, release of your grant will be contingent upon their submission.

Included in the [Equity Framework](#) is an **Equity Priority Policy**, which states that if there are multiple well-assessed applications of equal merit in an adjudication round but insufficient funds in the grants budget to support all deserving candidates, applications proposed by applicants that self-identify as belonging to one of

Toronto Arts Council's equity priority groups or that primarily involve or serve artists from these groups will be prioritized.

SUPPORT MATERIAL

All applicants may upload promotional materials produced by their organization in relation to its last year's activities (e.g. brochures) and/or press clippings (maximum 6 pages). Accepted file format – PDF.

Applicants currently receiving TAC Multi-Year Operating support should not submit audio-visual material.

ASSESSMENT PROCESS

Applications are reviewed first for eligibility by a TAC Grants Program Manager. TAC's Theatre Committee then assesses all eligible theatre applications. Grant recommendations are approved by the TAC board of directors.

Toronto Arts Council's Theatre Committee is comprised of theatre community peers. They have been selected on the basis of their familiarity with a broad spectrum of theatre practices, experience with small- and large-scale works, specialized expertise, and open-mindedness. The Theatre Committee is composed to ensure fair representation of gender and cultural diversity. A current list of Theatre Committee members is available on Toronto Arts Council's website. Theatre organizations are invited to nominate peers interested in serving on TAC's Theatre Committee. These nominations should be submitted in writing. Committee members serve maximum three-year terms.

Multi-Year Operating funding is recommended only at the discretion of the Theatre Committee. First-time applicants should be aware that approval is not automatic solely on the basis of meeting the general eligibility requirements. The Theatre Committee reserves the right to transfer applicants that do not meet the standard required to receive Multi-Year support to TAC's Annual Operating program.

Included in the [Equity Framework](#) is an **Equity Priority Policy**, which states that if there are multiple well-assessed applications of equal merit in an adjudication round but insufficient funds in the grants budget to support all deserving candidates, applications proposed by applicants that self-identify as belonging to one of Toronto Arts Council's equity priority groups or that primarily involve or serve artists from these groups will be prioritized.

The Theatre Committee evaluates all organizations applying for Multi-Year Operating funding using the following assessment criteria in the context of each applicant's stated mandate and direction, available resources and stage of development, and the geographic, cultural and artistic environments in which it works. Are there requirements and guidelines for paying artists and arts workers?

Grant recipients are required to pay artists' fees for professional artists, and encouraged to bring these fees into line with sector standards or, at a minimum, living wage benchmarks:

- arts sector guidelines:

- [Carfac \(visual arts\)](#)
- [Canadian Alliance of Dance Artists](#)
- [Canadian Actors Equity – Independent Theatre Agreement](#)
- [Canadian Federation of Musicians](#)
- the Ontario Living Wage as a minimum standard for artists/arts workers' salaries and fees: (\$22.08 per hour in 2021 or \$43,000 per year) [Ontario Living Wage by Region](#)

Toronto Arts Council recognizes that increasing levels of compensation for artists and arts workers may require organizations to review programming levels – TAC will not penalize organizations making necessary adjustments, including reducing programming.
