

Hello,

I am an administrator for TDSB's Learn4Life Adult General Interest Courses, at Central Technical School in the Art Building.

I am looking to hire artists who would be interested in instructing an art course that would be offered at various terms through Learn4Life.

Learn4Life is a continuing education program that is offered through the TDSB in the evenings for adults (18+ years), during the Fall, Winter, Spring, and Summer terms.

Here are more details:

- Courses are offered 4 terms per year, and I tend to look to hire a few months before a term begins
- This is a long-term opportunity, as we anticipate our art courses will be ongoing throughout the terms (typically we have waiting lists every term for our courses)
- Courses offered through Learn4Life run based on enrollment
- Instructors would be employees of TDSB. The pay rate is currently a little over \$34/hour (but under \$35/hour).
- Learn4Life art courses at Central Technical School are in Central Technical School's Art Building, Monday to Thursday, from 6:30 PM – 9:30 PM.

The following link below is the Learn4Life website. Interested candidates can view the Learn4Life brochure that is available via Learn4Life's website:

<https://www.tdsb.on.ca/Adult-Learners/Learn4Life>

If you happen to know of anyone who would be interested in this opportunity, please feel free to forward my contact information. Interested candidates can send me an email directly, at rosalind.armstrong@tdsb.on.ca.

I would need a cover letter, a recent resume, and some samples of their completed work for review and consideration.

Thanks very much,

Rosalind Armstrong
